

LE BRISTOL
PARIS

YOUR SAFE STAY WITH US

Le Bristol Paris is closely monitoring the Covid-19 epidemic and our foremost priority is the health and comfort of our guests and team members.

In addition to implementing new hygiene and safety measures, we have developed specific protocols for the following procedures, strictly adhering to the public health guidelines of the French Government, to ensure your stay with us is safe and secure.

Le Bristol Paris features large public spaces and an expansive courtyard garden, all of which make social distancing easier. The Hotel's numerous windows will remain open, weather permitting, to facilitate air circulation.

Transport

- “Meet & Greet” Service (*on request*): Personalised greeting by a host or hostess wearing a mask (simplified and accelerated passage through Paris’ airports and train stations, respecting social distancing).
- Private transport: Provided by one of our chauffeurs in a vehicle secured with a plexiglass safety partition. Our vehicles are disinfected with virucide after each use.

Guest and hotelier safety

- Completion of a pandemic health protocol by a firm approved by the French Ministry of Labor.
- Plexiglass safety partition at reception and concierge desks.
- Sanitation kit containing individual-sized hydroalcoholic gel and mask offered upon arrival and provided in every room and suite.
- Simplified Check-in procedure.
- Luggage received at the hotel will go through a disinfection portal.
- Hotel entrances equipped with decontamination carpets.
- Hydroalcoholic gel distributors throughout hotel.
- Employee movement rules in place and traffic flow guidance throughout hotel to respect social distancing.
- In-house nurse 7 days a week.

Cleaning and hygiene

- Employee use of preventive equipment (hydroalcoholic gel, masks, and gloves when necessary).
- Obligatory training for all employees in updated sanitation protocols.
- Strict sanitation protocols for cleaning and disinfection, adhering to the guidelines of the French Government and the WHO.
- Guest rooms systematically disinfected and unoccupied for 24 hours between each stay.

Restaurants

- Disinfection protocol reinforced in the kitchens.
- Disinfection of the restaurants and furniture.
- Removal of menus in restaurants and rooms, replaced by digital solutions.
- Food producers and artisans required to respect strict sanitation protocols.
- Disinfection of the mini-bar and bottles, personalized for each guest.

Spa, Fitness and Pool

- Treatment rooms with private shower to guarantee total privatization of the treatment.
- Treatment rooms disinfected between clients.
- 3 guestrooms reallocated as private fitness rooms.
- Use of the fitness rooms by appointment only.
- Maximum of 4 guests allowed in the swimming pool area at a time.
